

Hi Everyone,

Wellspring Community Church is a local and vibrant Church in the heart of North Manchester and a member of the British Assemblies of God family of Churches. We are a family of real people who are passionate about our local community and seek to express that passion in a number of ways through community involvement and community oriented initiatives.

As a Church, we believe that the only way the problems faced by humanity are able to be truly and effectively dealt with; can only be found in Jesus Christ of Nazareth and the sacrifice He offered on the Cross over 2000 years ago on our behalf (Rom. 8:1-4). As a Church family of real people, who live in the real world, we are committed to sharing the reality of Jesus in real and practical ways through relationship – not religion!!

If you would like to know more about us; or about the opportunity of having a fresh start in life through the forgiveness that Jesus offers then please; either get in touch or come along to one of our services. It will be great to see you.

Kindest regards, Dave Rigby (Minister).

At the moment however due to Government restrictions in light of the Covid-19 threat, Wellspring Community Church has unfortunately suspended all meetings until further notice.
